Scandinavian design

This range has a unique design with sophisticated handles in the form of bevelled and cut corners. The colours are inspired by the soothing surroundings of the Nordic archipelago.

Made in Sweden

The technical knowledge and sense of design from Tenzo pursued the development, from idea to production. The creation process of Corner is genuine and precise. Tenzo has high-quality standards and the furniture is always inspected before it is shipped.

Exclusive details

All details are carefully designed. The sides of the drawers have been given a linen look, which enhances the impression of the furniture.
