Details

The corners of Svea are carefully crafted to give the products a fashionable look. The doors are softly bordered on the edges that are pushed out over the doors.

Made in Sweden

Bodies, fronts and table tops are made of lacquered mdf and made in Sweden. The handles, legs and the decorative rail are all made of solid oiled oak which, combined with lacquered parts, give Svea the typical Scandinavian look.

Soft close

The hinges of Svea are integrated with soft-close and the drawers have a smooth self-closing function. The soft close catches the doors and drawers and makes it close slowly, silently and softly.

SCANDINAVIAN TRANQUILITY

Svea is a discrete and durable series of furniture. The typical Scandinavian look brings calmness to the room with its neat oak legs and delicately crafted oak handles. The mitered corners soften the edges and give the uncluttered collection that extra designer touch.

The furniture holds a lot of storage and will be the perfect companion in your home. The shelves inside sideboards and highboards are adjustable and allows you to create a storage solution that fits you and your things perfectly.
